Experience Unparalleled Savings & Support

At Golden Triangle Specialty Network (GTSN), we provide medical cost management solutions that redefine the industry standard. We use a white-glove approach to deliver unmatched savings via our comprehensive National Dialysis NetworkSM, Golden Triangle Rx Specialty Pharmacy NetworkSM, and other medical cost management support services.

National Dialysis Network Highlights:

Our dialysis program has helped save clients \$100M* since founded.

- ▶ **Guaranteed Secure Savings:** Assured discounts backed by provider sign-off.
- ▶ **Proven Cost Management:** Access our 10+ years of experience and successful track record, consistently providing significant cost savings for those we serve.
- ▶ **Seamless Coordination:** Benefit from our high-touch care coordination and case review process, ensuring optimal outcomes and streamlined operations.

GTRx Specialty Pharmacy Network Highlights:

GTRx saves clients up to 60% on J-code associated medical spend.

- ▶ **Unmatched Medication Savings:** Our pharmacy program saves our clients millions by impacting medical spend on J-code drugs, therapies, and medications.
- ▶ **Tailored Solutions:** We offer analysis and customization for Third-Party Administrators, (TPAs), self-administered plans, and brokers.
- ▶ **Improved Quality of Life:** Addressing high-cost diseases and therapies, our program enhances patient care and quality of life, while minimizing financial strain.

Your Savings is Our Success

Our fees are a percentage of savings—there is never a charge for an initial case review. It's time to embrace a new partnership with GTSN, where savings, transparency, and quality of care converge.
